Family Umrah

"Our family booked our Umrah package with Uzair, and the experience was wonderful. He explained everything clearly. While we booking with him, he helped us throughout the whole process. The entire trip was well organized from the flights, to the hotels (in Madinah and Mecca), and to the driver that was provided. Everything was excellent for our whole family. Inshallah, when we are booking our Hajj package we will go with them."

Hajj & Umrah

Excellent service and highly professional team! Tourency Inc provided outstanding Hajj and Umrah services from start to finish. Flight arrangements were smooth and well-organized, transportation in Saudi Arabia was comfortable and timely, and hotel accommodations were excellent. The Ziyarat guide was very knowledgeable and supportive, making the journey spiritually enriching. Highly recommended for pilgrims from the USA and Canada.

Umrah

Alhamdulillah, I booked my Umrah package with Uzair, and the experience was truly excellent. He was very to the point and explained everything clearly. After checking with a few other agencies, this was the best package I chose. The entire trip was very well organized. The driver was always on time, and we had a spacious, comfortable van from the airport to Makkah, and from Makkah to Madinah, including Ziyarat. Everything was peaceful and amazing, MashaAllah. InShaAllah, I plan to book my Hajj package next year with them as well. Highly recommended.

Hajj 2026

I completed Hajj 2026 with Tourency, and it was an absolutely amazing, flawless trip. Their customer service is top-notch! The entire team — especially Uzair Bhai — helped everyone wonderfully. They provided everything they promised us and were with us every single step of the way. The food, transportation, and hotels were all awesome. They even gave us a hotel room with a beautiful Haram view at no extra charge! Our whole family went together, and everyone was incredibly happy with the experience, Alhamdulillah. If you want to make your holy pilgrimage comfortable, memorable, and unforgettable, I highly recommend going with Tourency!
